## TUESDAY CLUB

### MRS. WILLISFORD RESIGNS PRESIDENCY, MRS. HUTCHINSON APPOINTED

At a meeting of the executive committee of the Tuesday Afternoon Club at the home of the president, Mrs. E. H. Willisford, she presented her resignation, to take effect at once. This was a great surprise to all the members, but the explanation was made that the Willisfords are soon to leave for Houston, Texas, so, with expressions of sincere regret from all present, the resignation was accepted. As it is the duty of the executive board in such emergencies to appoint successors to fill out the year's term, they at once proceeded to name Mrs. C. E. Hutchinson as president and she signified her acceptance of the honor this morning. Mrs. Hutchinson was voted on for this office at the annual election and Mrs. Willisford won out by a small margin. The members of the Club are delighted that two such popular members could serve as president the same year, though deeply regretting to lose Mrs. Willisford.

## District Court of U. S.

The editor of the Evening News was summoned to report for petit jury service in the District Court of the United States, at 10 o'clock, yesterday forenoon, in the Federal Building, Los Angeles, Judge Benjamin F. Bledsoe being the presiding judge. A large per cent of the men summoned asked to be excused, the writer being one of the number. The Judge declared that newspaper men were good material for jurors, so no excuse was granted. The July term of this court will end at the close of the present year, and four days of service may be expected each week until that date.

The introductory address given by Judge Bledsoe to the jurors was brim-full of Americanism and suggested the need of every citizen being willing to share his burden of carrying on the affairs of the Federal government.

## E. L. OSBORN, JR.

### COMES FROM MONTROSE, COLO., AND ACCEPTS POSITION IN FIRST NATIONAL BANK

E. L. Osborn, Jr., and family recently arrived in Glendale, having driven overland by auto from their former residence at Montrose, Colorado, where Mr. Osborn held the position of Assistant Cashier in a bank. He has accepted a position in the First National Bank of Glendale and entered upon his duties at that place yesterday.

The family is at present residing at 1020 South Glendale avenue. Mr. Osborn is the son of E. L. Osborn, Sr., who more than a year ago moved to Glendale and became quite extensively interested in real estate north of Broadway and between Columbus avenue and Pacific.

V. E. Porter, of 200 East Cypress avenue, who was driving south on Brand, in his Oldsmobile, collided at the crossing of Cypress avenue, with a Chandler driven by John Tossmer. Both machines were considerably damaged.

## DR. WILLISFORD

### ACCEPTS CALL TO HOUSTON, TEXAS—GOES IN A FEW DAYS

Dr. E. H. Willisford, who for the past nine years has been pastor of the First Congregational Church of Glendale, has just received and accepts a call to the pastorate of the First Congregational Church of Houston, Texas. Last Friday morning Mr. Willisford received a telegram from Houston stating that the church there had voted unanimously to call him and Tuesday a letter was received containing the official call. The Houston church has recently secured a most desirable and enlarged building site upon which has been erected a temporary church building and a permanent, spacious and beautiful manse of ten rooms. The manse cost \$12,500. The entire property is free of debt and a substantial sum on hand for a new church building which the church expects to erect in the near future. The salary is much larger than that paid by the Glendale church. While the Willisfords deeply regret leaving Glendale the large and attractive opportunity which the Houston field offers for service will be their compensation. This call is especially pressing to Dr. Willisford from the fact that he was not asked to visit Houston as a candidate, but was called on the strength of his past record. The pastorate is to commence October 1st, at the same date on which his pastorate closes in Glendale.

The pastor of the Houston church resigned on the 4th of August, a committee on securing a successor was at once appointed, this committee at once recommended that the church call Mr. Willisford which it did on August 26th. Mr. Willisford will at once arrange to dispose of his home and ship his household goods.

## P. E. Car on Fire

The Pacific Electric car from Los Angeles, which should have reached Glendale about six o'clock Wednesday, when near the Atwater tract caught on fire from the trolley and all passengers were ordered from the car. Miss Alice Frank and her mother of 1558 Eagle Rock Road were among the passengers and report that when the car was found to be on fire there was considerable excitement and for a few moments the burning car presented a beautiful sight. However, the flames were extinguished in a few moments with only slight damage to the rear of the car. Passengers from Glendale were taken home in autos and it was not long before the wrecking train was on the ground and everything cleared up.

## MISSOURIANS HAPPY

### WANTS ALL THE FOLKS BACK HOME TO COME OUT AT ONCE

R. C. Odell and wife of Ellington, Mo., are here to spend the winter with their daughter, Mrs. F. D. Booth, of South Maryland avenue. They are so delighted with Glendale that they think they will locate here. Mr. Odell has already been writing to some friends back East urging them to come out for the winter at least. Here is what he wrote to Rev. Rayburn, of Van Buren, Mo., whom he had asked to accompany him and his wife:

"Oh, boy, come at once. There is more pep, push, pull, get-up-and-get, go-and-come-in-a-hurrah, than any place on earth. Come and get in the swim at once. More amiable people here than any place, but you can't tell just what they are aiming at at all times. They are in the air, on the land and in the sea, thick as gnats of a summer evening, going helter skelter, pell mell, 'On the road to a thousand wonders.'"

## Jewel Electric Improves

The Jewel Electric Company, 202 East Broadway, has rearranged the front part of the building by taking out the counter and making much more floor and shelf space. A big, new show window has been arranged, also. All the many fixtures can now be displayed on the shelves and demonstrations of washers, wringers, ironers, sewing machines, etc., made in the center of the room. Mr. Wittmeyer is keeping abreast the times in all the appointments of his business.

## SUFFRAGE TANGLE

### PRESIDENTIAL ELECTION MAY BE AFFECTED BY THE LEGALITY OF TENNESSEE RATIFICATION

(Special Service to Glendale Evening News)  
WASHINGTON, Sept. 2.—Government officials realizing the possibility that the presidential election might be dragged into the courts and the House of Representatives by the Tennessee suffrage tangle, were today taking steps to meet the contingency.

If the court should later hold that the Tennessee ratification of the federal suffrage amendment was legally rescinded it might throw out all votes thus participating by reason of the recent ratification, which would throw the election into the House of Representatives.

## DE LA HUERTA OPENS CONGRESS

### SAYS MEXICO MUST DEVELOP OIL SUPPLY; GOVERNMENT CAN NOW GUARANTEE PROTECTION

(Special Service to Glendale Evening News)  
MEXICO CITY, Sept. 2.—President De la Huerta, opening the first session of the new Mexican Congress, today emphasized the following conditions: Mexico's potential oil production is twice that of the United States and the Mexican government is doing everything possible to develop the industry. Commercial treaties with other nations are being studied, preparing them to meet post-war conditions.

The government is now able to guarantee the lives and property of foreign citizens. Although a few bandits are at large, all important rebels have been subdued and the Federal army greatly reduced.

## COX CAMPAIGN TOUR TO BEGIN TONIGHT

### WILL WAGE CAMPAIGN IN ALMOST EVERY STATE WEST OF THE MISSISSIPPI RIVER

(Special Service to Glendale Evening News)  
COLUMBUS, O., Sept. 2.—Gov. James M. Cox tonight is to begin the most extensive campaign tour ever undertaken by a presidential candidate.

Starting on his big "swing around the circle" just a year to the day after President Wilson made his nation-wide tour in the hope of obtaining ratification of the peace treaty, the democratic candidate, with his pledge that the United States shall enter the League of Nations, will wage his battle in every state west of the Mississippi except Arkansas, Texas, and Louisiana. Cox's schedule calls for about an average of four speeches daily for about a month.

## COAL MINERS STRIKE AT WILKESBARRE

### SEVENTY THOUSAND ANTHRACITE COAL MINERS IDLE ON INSURGENT STRIKE

(Special Service to Glendale Evening News)  
WILKESBARRE, Pa., Sept. 2.—Nearly 70,000 anthracite coal miners were idle here today on an insurgent coal strike.

## BANK CHAUFFEUR DISAPPEARS WITH \$59,000

SAN FRANCISCO, Sept. 2.—Chas. Hays, chauffeur for the Anglo & London-Paris National Bank, was being sought by police today following his disappearance with \$59,000 in bank funds yesterday. Hays was believed to have fled to Los Angeles in a high-powered automobile.

## Women Arrested

Mrs. Jeannette Alien Brentinger of 1703 St. James Court, Los Angeles, and Miss Vera Myers of the Hollywood Apartments, were arrested in Glendale yesterday for cashing three forged checks, two for \$35 each at the Acme Grocery and Irish Linen Store, the other for \$40 at Christy's Grocery. Only \$35 of the money has been recovered as yet. Twenty-dollar checks were offered for cashing at Hooper's Supply Station and the Jewel Electric Co., but they were refused. Chief Stanley says both women have confessed. They will appear before Judge Lowe this afternoon.

## Late Election Returns

The returns to date indicate the nominations of Samuel Shortridge for U. S. Senator by a plurality of over 30,000, the choice of Chas. H. Randall as Dem.-Pro. candidate for congress in the 9th District and C. F. Van De Water as Republican candidate.

Woolwine was elected district attorney, Dodge supervisor in the 5th district, J. W. Summerfield superior judge for the short term. Stephens, Willis, Reeve, Crail, Taft, Monroe, Hewitt, Shenk, Wood and Myers apparently won out as candidates for superior judges for the long terms.

## Splendid Growth

The remarkable growth of Glendale is further evidenced by the rapidly increasing business of the banks. The First National reports deposits of \$1,679,000 as against \$845,000 a year ago, a gain of \$834,000 in twelve months. Other Glendale banks also report a similar increase.

The escrow department of the First National Bank has been moved to new quarters on the second floor and is now open for business. This department is conducted by Mr. Goss with five assistants. The new quarters are particularly fitted for this business and efficient service is assured by the increased facilities.

## Tell Them to Come

H. Ward of 210 East Elk, a veteran of the Civil War, states that relatives and friends in Kansas are writing him for information on the housing conditions in Glendale. "I hardly know what to tell them, but, of course, will insist that they come," said Mr. Ward.

Mr. and Mrs. E. H. Kerker of 136 North Brand have returned from a 6-weeks' vacation trip, during which time they visited points of interest in the vicinity of Big Bear Lake.

## CHURCH WEDDING

### MISS LENA MAE BRICE AND CLARK CHRISTY UNITED IN MARRIAGE

The first wedding ever held in the new First Methodist Church took place last night when a large number of the friends of Miss Lena Mae Brice, daughter of Mr. and Mrs. Charles P. Brice of 304 North Kenwood, and Clark Thompson Christy, son of S. W. Christy gathered to hear them take the marriage vows.

The spacious auditorium was decorated with pink and white flowers and greenery. The altar was banked with greenery and an arch of flowers from which was suspended a wedding bell of white carnations surrounded by white doves marked the place where the bridal party stood during the ceremony. Bouquets of white flowers tied with white satin ribbon decorated the ends of the pews.

A splendid musical program was given, Mrs. Reynolds rendering two selections on the pipe organ; Miss Isgrigg whistled two solos and Miss Leone Brice, sister of the bride, sang very sweetly. As the bridal party entered the church Mrs. Reynolds played the Lohengrin Wedding March.

The bride was charming in a gown of white brocaded satin with pearl trimming with veil and crown of orange blossoms, pearls and white ostrich tips. She carried bride's roses. The bridesmaids were Miss Marion Addison, maid of honor, who wore pink organdie; Miss Thelma Gilbert, who wore yellow organdie, and Miss Eleanor Brice in blue organdie. All carried pink rosebuds and wore picture hats to match their costumes. Tiny Janie Dodd, niece of the groom, was a dainty flower girl in a perky pink satin frock. Edgar Boss attended the groom, while Paul Richardson and Howard McGillis were ushers.

Rev. Clyde Monroe Crist, pastor of the church, performed the ceremony, Mr. Brice giving his daughter away.

Following the ceremony about 40 relatives and friends repaired to the Brice home where a wedding repast was served, and where many beautiful wedding gifts were displayed. Mr. and Mrs. Christy are spending their honeymoon at Coronado after which they will be at home to their friends on East Wilson avenue.

## White Elected

## BOLD ROBBERY

### TRUCKMAN CALLS IN BROAD DAYLIGHT AND STEALS LOAD OF FURNITURE

R. C. Dosta, who has been living at 1817 Gardena avenue, wished to store his goods until he could find a new location, as another family had secured the house and was moving in, so he went to Robinson Bros. and asked them to move his furniture. This was on Monday. They replied that they could not do the job till the next day at a certain time, so Mr. Dosta arranged with them to do it. That very afternoon a truck called at the place and the driver said he had come for Mr. Dosta's goods. The man who was moving in of course made no objections, as he supposed this man was the truck driver Mr. Dosta had made arrangements with. All of the furniture was taken except the piano, which the driver said he would return for. Mr. Dosta did not know of this till the next day when Robinson Bros.' truck went after the load. He has put the matter in the hands of the police, who hope to run down the thieving truckman, who must have been loitering around Robinson Bros.' office and heard Mr. Dosta's conversation with them.

## AGED FIGHTER

### LADY 73 YEARS OF AGE KILLS LARGE BULLDOG THAT AT- TACKED SPANIEL

W. C. Palmer of 618 South Adams was summoned to the corner of Lomita avenue and Everett street yesterday morning about 5:30 by sounds indicating an encounter of some kind. Arrived there he saw a large bulldog lying dead in the street, a small black water spaniel licking some serious wounds and an aged lady sitting exhausted on the curbing. She reported that the bulldog attacked her spaniel and she rushed to the rescue. Picking up a stout stick lying near by she thrust it into the bulldog's collar and twisted it like a tourniquet until she actually choked the dog to death and saved her spaniel's life. And then she fainted. Although she is 73 years of age she does not seem to have suffered from the encounter. She is Mrs. Eunice Soper of 511 S. Central avenue and the dog she fought so courageously for has long been a pet of her grandchildren, whom she is caring for while their mother is in a sanitarium. She was on her way to do some work for Mrs. J. N. McGillis, 1003 East Lomita avenue, when the encounter took place. Her dog had one leg broken but it is hoped its life can be saved.

Ackerman of Pasadena. Mrs. Miller of Pasadena and Mr. and Mrs. George Mason of Glendale were also present. The picnicers cooked their supper over a camp fire, which was a revelation to Miss Bangs, and she was delighted with the possibilities to be attained cooking over a wood fire in the open. ## Personals

C. E. Ranck and family have moved from 361 Salem to Long Beach.

Born to Mr. and Mrs. Jack McKenzie of 1524 Lorraine street, a seven-pound boy.

T. S. Reiter of 614 North Maryland avenue returned a few days ago from Denver, Colo., where he spent his vacation with his parents.

A. R. McPhail of 318 Ivy street arrived at home, Wednesday, after an absence of about six weeks attending to business affairs in Kansas and in the Northwest.

Geo. C. James, who resides at 514 South Central avenue, has purchased a lot on Broadway between Pacific avenue and Columbus. Mr. James will commence building at once.

H. A. Coldsby and family, who have lived in Glendale for a number of years, moved to Los Angeles yesterday, the house they occupied at 610 Orange Grove avenue having been sold.

Mrs. Ivan A. Robinson and children, Dorothy and Bob, of 1520 Lorraine street, have returned from San Francisco, where they have spent the past four weeks. They report a most pleasant trip.

Mrs. Leon N. Hagood of 216 N. Orange is enjoying a visit from her mother, Mrs. M. A. McIlhenny, of Alhambra. She is expecting her sister, Mrs. Jas. J. Lindley, of Nevada, Mo., to spend several months.

Mrs. Amanda Hartley of 231 N. Belmont is visiting relatives and old friends in Oregon City, Ore. She will go from there to Goldendale, Wash., to visit a son, but will return to Glendale before winter sets in.

H. F. McPherson, sales manager of the Ford agency, Glendale, has returned after a week's stay in San Francisco. While there he was a guest at parties given by Wallace Reid and by a number of automobile men from Los Angeles.

Herman Fricke, Jr., of Madison, Nebraska, who with his family is temporarily located at Long Beach, visited Glendale yesterday. Mr. Fricke is a prominent real estate operator in Eastern Nebraska. It is possible that he will come to Glendale for the winter.

Mrs. H. A. Strong and daughter of 326 North Louise street have returned from a trip in the East, during which they visited various cities in Iowa and Minnesota and spent some time in St. Louis, Mo. The Strong's are now entertaining in their home Rev. and Mrs. Westlake of Ainsworth, Neb. They were former neighbors in Sheldon, Iowa.

C. H. Weihe and wife and the children of 904 East Acacia avenue arrived at home Monday from a two months' auto camping tour of Northern California. They spent some time at Yosemite and then went on north. Mr. Weihe's father lives near Lytle and they paid him quite a visit. Mr. Weihe says many from that part of the state expressed their intention to spend the winter in the Southland.

Mrs. C. C. Cooper and daughter, Emmalaura, have just returned to their home in Glendale from a five weeks' visit at the old home in Lincoln, Nebraska, and in other Nebraska points. They were accompanied by Miss Lavera Kitterman, who also visited relatives and friends in Nebraska. They all report an enjoyable trip but are more convinced than ever that Glendale is the ideal home city.

Miss Edith Lindsay, popular dancing instructor, has returned from a visit in San Francisco where she formerly resided and will soon take up her work with her Glendale and Hollywood dancing classes again. While in the north she refused several splendid offers as instructor of large dancing classes already organized as well as professional work. The trip was made by motor and the party included besides Miss Lindsay, Mr. and Mrs. Lindsay, Mrs. D. A. Honig of St. Louis and Nelson W. Neice of Hollywood. Several stops were made at Monterey, Santa Cruz and the Big Trees.

Floyd Pease, wife and little daughters, Helen and Lois, of Canonsburg, Pa., arrived in Glendale Wednesday evening and are staying with J. M. Fife at 517 North Jackson street. Mr. Pease is an old friend of the Fifes, having lived in the same town in the East. Several years ago Mr. Pease visited Southern California and has been determined ever since to make this his home, with the result that he has shipped his household goods to Glendale and is now seeking a home here. He will enter the employ of the Newport Land Company in a few days and become one of our Glendale citizens.

## SPICKERMANS BACK

ENJOY THREE MONTHS' VISIT IN ILLINOIS AND MINNESOTA

C. W. Spickerman and wife arrived at home last Saturday night from a three months' visit to the scenes of former days in Illinois and Minnesota. Their first stop was at Rock Island and Moline, sister cities, where they lived just before coming to Glendale. Then they went on to Minneapolis, Minn., and spent the rest of the time in that city and vicinity. Mankato, near there, on famed Lake Minnetonka, was the birthplace and early home of Mr. Spickerman and his wife's was at Rochester, not far distant. Her sister's husband is postmaster of Rochester and a nephew, Harry Harwick, is financial manager for the Mayo Bros.' great sanitarium there. The old Spickerman farm was within half a mile of Lake Minnetonka, which in recent years has become a famous summer resort. Its 300 miles of shore line is built up with small cities for the accommodation of summer visitors and there are many fine mansions owned by wealthy people. More than 300 small steamboats and launches ply the waters. Mr. Spickerman's early life was spent in the district in which occurred the dreadful massacre of white settlers by Sioux Indians in 1862, when 457 people were killed and mutilated by the savages. The murderers were stayed when they had come within 15 miles of the Spickerman home. The Winnebagoes, who inhabited that section at the time, took no part in the massacre, but remained on friendly terms with the whites constantly. Mr. Spickerman says Little Bear, the Winnebago chief, and his wife, who had been educated in an Eastern school, were frequent visitors in their home and that his early playmates were mostly Indian boys. Crops were fine there and very many people, made comparatively wealthy since the war, are planning to come to Southern California this fall, some of them to stay. He says a general freight agent of the Union Pacific told him his road had 200 cars now on the way to this section loaded with household furniture and that each car represented an average of five families. They came back through Canada, visiting Victoria and Vancouver, then came on to Seattle, and on to Portland, where they stopped off for a brief visit, then on home. They are living with their son-in-law and daughter, Riley Proctor and wife, at 355 Salem street, having sold their home before they went away. Mr. Spickerman has bought a lot on California avenue, not far from there, and will build a home at once.

Mr. Spickerman says the most impressive incident of the trip, to him, was the visit to the farm near Excelsior, on Lake Minnetonka, where their two children were born and raised, and where they had an apple orchard of nearly 1000 trees.

## New Plan Street Work

A new method of smoothing paved streets that have become "humped" and rough from constant travel is being tried out in Glendale now. A tractor has been hired and it is first hitched to a double disc "harrow" as it is called, the two rows of discs on which are set at different and converging angles. This is dragged over the roads, loosening the surface. Then the heavy grader is dragged over them, making a smooth, hard surface. This plan supersedes that used heretofore of running the heavy roller over the roads first with the sharp spikes fixed in the wheels and roller and then using the same machine with the rollers smooth. The new way is considered much the best. Portions of Central avenue, Glendale avenue and Colorado street have been so treated and other streets will be gone over also.

## Motorcyclist Hurt

Clarence Blanchard of East Windsor Road and a boy companion were riding the former's motorcycle south on Brand last evening and stopped across from L. G. Scovern's to fix a break in the machine. While they were busily at work an autoist came up very rapidly and smashed into the motorcycle, throwing the boys to one side. Clarence suffered a concussion of the brain and serious internal injuries. Dr. Boyer was called to attend him and found his condition very serious. This morning he was slightly better and may recover. The autoist sped on without stopping, and his identity is unknown.

## Kansans Will Rally

Glendale Kansans in common with others from the Sunflower state are looking forward to the annual Jayhawker picnic which is to be held in Sycamore Grove, Saturday, September 11th. Walt Mason will be there along with about ten thousand other former Kansans.

If a girl with dimples is sixteen and upwards you may depend on it she will know how to capitalize them.

## "SINGING AS WE GO"

SUBJECT OF REV. EDMONDS SUNDAY MORNING IN PRESBYTERIAN CHURCH

Following is a digest of the sermon delivered by the pastor at the Presbyterian Church Sunday morning:

The upper chamber in Jerusalem was a memorable place, the scene of the sacred last interview of Christ with His disciples. Jesus after the manner of a servant washed their feet, as an example to them of humble service. He instituted the Holy Supper which through all the ages should commemorate His death in our stead; he bequeathed His unspeakable peace. "Let not your heart be troubled," and made His priestly supplication for all who were or should ever be His disciples. After all this never-to-be-forgotten interview, "When they had sung a hymn, they went out into the Mount of Olives." (Matt. 26:30.)

It is pleasant to know that Jesus sang. We sometimes think of Him as austere; and artists have gone to extremes in painting Him altogether as a man of sorrows. But He must have seen times of happiness and joy such as the wedding feast, and the coming of the little children to Him. On the occasion of our text He was passing into the dark shadow of the cross; yet He sang. The hymn which they must have used on that night was the great Hebrew song, "Oh Give Thanks Unto the Lord, for He Is Good." Why should not Jesus sing? His heart was in sympathy.

## Birthday Party

Twelve little guests gathered at the home of Mrs. G. A. Archer of 615 East Colorado, Tuesday afternoon, to celebrate the fifth birthday of her daughter, little Nita Marie Archer. Nita was the recipient of many lovely presents. Games were enjoyed and ice-cream and cake served during the afternoon. The guests were Eleanor and Marion Welz, Ruthie and Rubie Coker, Gertrude and Theodora Peterson, Isabel and Richard Elliot, Flora Jane Green, Catherine and Phyllis Sonntag and Marion Van Feldt.

## Dodge Makes Promise

Jonathan S. Dodge, Chairman of the Board of Supervisors, whose nomination at the primary election Tuesday was equivalent to a re-election, writes the Evening News: "I shall enter upon the duties of my office with only one promise, and that is to carry out the provisions of the law and perform the duties of the office of Supervisor to the best of my ability."

be laid along the sides of the high-  
ways and shall be within five feet  
from the curb lines in said street,  
and shall not be nearer than three

same cannot thus be done, the said  
crossing shall be made under a

application therefor, said application

said City of Glendale.

That the work of laying or repair-  
ing such pipes or other appliances  
shall be conducted with the least  
possible hindrance to the use of said  
highways for the purposes of travel,  
and as soon as the laying or repair-  
ing of any pipe or appliance is com-  
pleted, all portions of the highways  
which have been excavated or other-  
wise injured thereby shall be placed  
in as good condition as the same  
were before the laying of such pipes,  
to the satisfaction of the Board of  
Trustees of said City of Glendale.  
That any damage or injury suffered  
by any person, by reason of any ex-  
cavation being improperly guarded  
during said work, or by any cause  
whatever in connection with con-  
struction, laying or repair of said  
pipe lines, or pipe, shall be borne by  
the grantee of said franchise, his, its  
or their successors or assigns.

That the City of Glendale reserves  
the right to change the grade of said  
street or any portion thereof over  
which this franchise shall be granted,  
and the grantee of said franchise,  
his, its or their successors or assigns  
shall at once change the location  
of all pipes and other appliances  
laid under said franchise so as to  
conform to such change of grade.  
That if any portion of said highway  
shall be damaged by reason of leaks  
in any pipe laid under said franchise,  
or by any other cause, the grantee  
of such franchise, his, its or their  
successors or assigns, shall, at his,  
its or their own expense repair any  
such damage and put said highway  
in as good condition as before such  
leak, or other damage, to the satis-  
faction of the Board of Trustees of  
said City.

That if the grantee of said fran-  
chise, his, its or their successors or  
assigns, shall fail to comply with  
any of the instructions of said Board  
of Trustees with respect to the loca-  
tion of any portion of said system  
of pipes and pipe lines, or the repair  
of any damage to highways, within  
ten days after the service of written  
notice upon said grantee, his, its or  
their successors or assigns, requir-  
ing compliance therewith, then said  
Board of Trustees may immediately  
do whatever work is necessary to  
carry out said instructions, at the  
cost and expense of said grantee, his,  
its or their successors or assigns,  
which costs, by the acceptance of  
said franchise, said grantee, his, its  
or their successors or assigns agree  
to pay upon demand.

That the work of constructing and  
laying said system of pipes and pipe  
lines, shall be commenced in good  
faith within not more than four  
months from the granting of said  
franchise.

That the said grantee of said fran-  
chise, his, its or their successors or  
assigns shall, during the life of said  
franchise, pay to the City of Glen-  
dale, in lawful money of the  
United States, two per cent of the  
gross annual receipts of such grantee  
and his or its successors or assigns  
arising from the use, operation or  
possession of said franchise. No per-  
centage shall be paid for the first  
five years succeeding the date of said  
franchise, but thereafter such per-  
centage shall be payable annually.

And it shall be the duty of the  
grantee of said franchise and of his  
or its successors or assigns, to file  
with the Clerk of said City of Glen-  
dale at the expiration of six years  
from the date of granting said fran-  
chise, and at the expiration of each  
and every year thereafter, a state-  
ment, verified by the oath of the  
manager or presiding officer of said  
grantee or his or its successors or  
assigns, showing in detail the total  
gross receipts and gross earnings col-  
lected or received by said grantee or  
his or its successors or assigns dur-  
ing the preceding twelve months,  
arising from the use, operation or  
possession of said franchise, and  
within ten days after the time for  
filing the aforesaid statement, it shall  
be the duty of said grantee and his  
or its successors or assigns to pay to  
the City Treasurer of the City of  
Glendale the aggregate sum of the  
said percentage upon the amount of  
the gross annual receipts arising  
from the use, operation or posses-  
sion of said franchise, and if the  
amount paid is incorrect, in the judg-  
ment of the Board of Trustees, they  
may order the payment of such ad-  
ditional sum as they may find due  
hereunder, and if not paid, the same  
may be collected by suit. And any  
neglect, omission or refusal by said  
grantee or his or its successors or  
assigns to file said verified state-  
ment, or to pay the said percentage  
of the said gross annual receipts at  
the times or in the manner herein-  
before provided, shall ipso facto work  
a forfeiture of said franchise and all  
of rights thereunder, to the City of  
Glendale.

That said grantee or his or its suc-  
cessors or assigns shall not sell,  
transfer, assign or lease said fran-  
chise or any part thereof, or any of  
the rights or privileges granted there-  
by, except by a duly executed instru-  
ment in writing filed in the office of  
the Board of Trustees of the City  
of Glendale, and nothing in said  
franchise contained shall be con-  
strued to grant to said grantee or his  
or its successors or assigns any right  
to sell, transfer, or assign or lease  
said franchise or any of the rights  
or privileges thereby granted except  
in the manner aforesaid.

Nor shall gas or oil to be carried by

the said grantee, its successors or as-  
signs through the pipe line for the  
construction of which this franchise  
is granted be disposed of directly or  
indirectly to any competitor of said  
grantee or its associated or subsidi-  
ary companies, operating in said  
City of Glendale, and be sold there-  
in, except by the consent of the  
Board of Trustees of said City.

That any neglect, failure or re-  
fusal to comply with any of the con-  
ditions of said franchise shall there-  
upon immediately ipso facto effect a  
forfeiture thereof, and the said City,  
by its Board of Trustees, may there-  
upon declare said franchise forfeit-  
ed, and may exclude said grantee or  
his or its successors or assigns from  
further use of the highways of said  
City under said franchise; and said  
grantee or his or its successors or  
assigns shall thereupon and immedi-  
ately surrender all rights in and to  
the same, and said franchise shall be  
deemed and shall remain null, void  
and of no effect.

Notice is hereby given that sealed  
bids in writing will be received at  
the office of the City Clerk of said  
City of Glendale for said franchise  
up to 8:30 o'clock in the afternoon of  
the 30th day of September, 1920.

That the bids received will be  
opened at that time; that all bids  
must be for the payment of a stated  
sum in gold coin of the United  
States; and that the franchise will  
be struck off, sold and awarded to  
the person, firm or corporation who  
shall make the highest cash bid at  
therefor, provided only, that at the  
time of opening said bids, any re-  
sponsible person, firm or corpora-  
tion, present or represented, may  
bid for said franchise a sum not less  
than ten per cent above the highest  
sealed bid therefor, and that said  
bid so made may be raised not less  
than ten per cent by any other re-  
sponsible bidder, and said bidding  
may so continue until finally said  
franchise shall be struck off, sold  
and awarded by said Board of Trus-  
tees to the highest bidder therefor in  
gold coin of the United States, and  
provided further that the Board of  
Trustees reserve the right to reject  
any and all bids.

Each sealed bid must be accom-  
panied with cash, or a certified check,  
payable to the City Treasurer of the  
City of Glendale for the full amount  
of said bid, and no sealed bid will be  
considered unless said cash or check  
is enclosed therewith; and the suc-  
cessful bidder must deposit at least  
ten per cent of the amount of his  
bid with the Clerk of said City before  
said franchise will be struck off to  
him, and if he shall fail to make  
such deposit immediately his bid will  
not be received and will be consid-  
ered as void and said franchise will  
then and there be again offered for  
sale to the bidder who shall make  
the highest cash bid therefor, sub-  
ject to the same conditions as to de-  
posit as above mentioned. Said pro-  
cedure will be had until said fran-  
chise is struck off, sold and awarded  
to a bidder who shall make the nec-  
essary deposit of at least ten per  
cent of the amount of his bid as  
herein provided. Said successful  
bidder shall deposit with the City  
Clerk within twenty-four hours after  
the acceptance of his bid the re-  
maining ninety per cent of the  
amount thereof, and in case he or it  
fails to do so, then the said deposit  
theretofore made will be forfeited,  
and the award of said franchise will  
be void, and said franchise will then  
and there, by the said Board of  
Trustees, be again offered for sale  
to the highest bidder therefor, in  
the same manner and under the  
same restrictions as hereinbefore  
provided, and in case said bidder  
fails to deposit with the City Clerk  
the remaining ninety per cent of his  
bid within twenty-four hours after  
its acceptance, the award to him of  
said franchise will be set aside, and  
the deposit theretofore made by him  
will be forfeited and no further pro-  
ceedings for the sale of said fran-  
chise will be had until the same shall  
be readvertised for sale.

Notice is also hereby given that  
the successful bidder for said fran-  
chise must, within five days after  
said franchise is awarded to him or  
it, file with the said Board of Trus-  
tees a bond running to said City in  
the penal sum of One Thousand  
(\$1000) Dollars with at least two  
good and sufficient sureties, to be  
approved by said Board of Trustees,  
conditioned that said bidder will  
construct said pipe lines and shall  
well and truly observe, fulfill and  
perform each and every term and  
condition of said franchise, and that  
in case of any breach of condition of  
said bond, the whole amount of the  
penal sum therein named shall be  
taken and deemed to be liquidated  
damages and shall be recoverable  
from the principal and sureties upon  
said bond. If said bond be not so  
filed, the award of said franchise  
will be set aside, and any money  
paid therefor will be forfeited. The  
Board of Trustees reserve the right  
to grant similar franchise over said  
street to any other person or com-  
pany.

## The Lover's Lament

In the days when a dollar was more  
than a tip,  
And exceeded the price of a shine,  
To the altar, for lovers, was quite a  
cheap trip—  
For on kisses and cheese they could  
dine.

But no longer we marry on terms  
such as these;  
It is useless for poor men to woo.  
For a fortune is needed to buy any  
cheese—  
And the germs have made kisses  
taboo.

—Vance C. Criss.

No matter how tight a man may  
be with his money, he knows some  
others who are stingier than himself.

## "SINGING AS WE GO"

(Continued from Page Three)

thy with all things pure, lovely, and  
of good report; He loved nature—  
mountain and sea, birds and flowers.  
Every grass blade was inscribed with  
His Father's name.

Why should not He sing? He had  
a clear conscience. Of all men living  
He knew no sin. He could go to  
His rest at night without the cry,  
"Have mercy upon me, O God;  
against Thee and Thee only have I  
sinned." He saw the end from the  
beginning, and knew and delighted  
to do the Father's will.

Why should not Jesus sing? He  
foresees the out-reach and success of  
the plan of redemption; the triumph  
over death which was coming; the  
joy-bells which should ring over His  
victory. He knew He was to see of  
the travail of His soul and be sat-  
isfied. And His disciples sang with  
Him. The visible church was gath-  
ered around the sacramental table  
that night. The upper chamber was  
filled with the gladness of thanks-  
giving. This was the beginning of  
the singing church. Historians say  
the early Christians were wont to  
rise at daybreak and in retired places  
sing to the honor of Christ. It is  
meet and proper that we sing in the  
service of the sanctuary. In Solo-  
mon's temple when the sons of Asaph  
in their white linen robes raised the  
tune accompanied with great orches-  
tra and mighty choirs responding  
back from galleries the Cloudy Pres-  
ence came forth and filled the sac-  
red place; and so while we sing the  
doors of the sanctuary move upon  
their hinges and He enters whose  
presence brings fullness of life and  
joy. It is meet that we sing as we  
go about our tasks. Our lads in  
France sang "Onward, Christian Sol-  
diers." The working man sings, or  
whistles at his daily labor. We lift  
our burdens and carry our sorrows  
better when God's praises sound in  
our hearts.

In time of great trial God gives  
His people songs in the night. Paul  
and Silas, their feet fast in the stocks  
and their backs raw from the lash,  
yet made their prison ring with  
songs; and other prisoners in the  
darkness heard the unusual sound.  
The prisoners always hear when we  
praise God in the dark. Infidelity  
has no song; only a blood-washed  
heart can sing endless hallelujahs.

My friend, you cannot have any  
part in the heavenly chorus unless  
you believe in Christ. It is faith  
that pitches the tune. We must  
stand with Him at the sacrament in  
the upper chamber, receiving assur-  
ance of pardon and His benediction.  
"My peace I leave with you." May  
it be given to each of us.

## Office Seeks the Man

BERLIN. (By Mail.)—Frederich  
Ebert may after all be a candidate  
for re-election to the presidency, ac-  
cording to reichstag leaders in touch  
with the situation.

The strongest pressure is being  
brought to bear on him to get him  
to change his mind, and it is reported  
that the pressure is so great he may

finally agree, especially since his  
candidacy is believed to assure his  
election, in view of the fact that the  
right and left parties so far have  
been unable to find a candidate.

Moreover, the center party, the  
majority socialists and the democrats  
are now inclined to support him to  
the limit.

Frau Ebert's plaintive appeal to  
"her man" not to continue in politi-  
cal life, since "it is such a strain on  
Fritzie" and spoils the "domestic  
ity," they both love, evidently is go-  
ing to be submerged.

It now appears to be a real case  
of the office seeking the man.
